**TO WHOM IT MAY CONCERN**

Mission for Vision is a NGO that works in 14 states of India with 23 reputed charitable hospitals towards the eradication of avoidable blindness.

Mission for Vision has been working with Sri Sankaradeva Nethralaya, Guwahati for community eye health since 2013 - 2014, primarily in the districts of Nalbari and Kamrup.

Since the commencement of the partnership, Mission or Vision has supported community eye health in these districts and enabled over 10, 000 cataract surgeries.

Mission for Vision is pleased with the partnership with Sri Sankaradeva Nethralaya towards our mutual goals of eradicating avoidable blindness. Mission for Vision also wishes Sri Sankaradeva Nethralaya the very best in all its endeavours.

Best regards,

Sabitra Kundu  
Head – Programme Development
